MILK PROGRAM

In our desire to provide students with a healthy drink option, we are pleased to offer a Got Yavneh Milk (GYM) Program. This program will allow children that are not a part of the school lunch program to drink fat free or low fat milk on dairy days to accompany the lunch they bring from home. The cost for this GYM program is \$40 for the year for those on home lunch every day, and \$25 for the year for those on pizza only lunch.

Please note that no changes to the hot lunch selection can be made during September. You may join the lunch program any time after October 1, but if you choose to come off the program after December 31, there will be a fee of \$100.

Please submit a passport size photo of your child with his/her name on the back, so that it can be laminated on the lunch card.

Please discuss with your child the fact that lunch cards are not transferable.

You can email any lunch program ideas to
