December, 2018

Dear Parents,

Once again, we have a very exciting list of after school activities planned for this fall for students in grades Pre-K-5.

In this booklet, you will find all clubs listed. Homework Club is available daily from Monday through Thursday.

We have tried to spread out all after-school programs evenly across the week in an effort to allow students to participate in multiple clubs throughout the week.

Please select your desired choices as soon as possible, since many of the clubs have a student limit. Please also note that some clubs may be canceled if they do not meet the student minimum. The deadline for registration will be Monday, January 14. All registration forms must be submitted to the education office (Attention Mr. Sussman).

We look forward to an enjoyable season of after-school programs.

Sincerely,

Mr. Chaim Sussman
Clubs Coordinator

Congratulations on selecting the violin! You have the opportunity to create beautiful music on an instrument that has been performed by countless other musicians.

- the Right Hand (bow hand shape and finger placement and dexterity, and detache bowing)
- Note Reading.

All skills will be introduced sequentially and then developed simultaneously.

Music is a universal language and a unique expression of individual personality. It teaches self-discipline, self-esteem, and develops the mind and motor skills. Each child will be provided the opportunity to experience music as a performer, creator, and appreciator.

Maintenance fee will apply according to any damage done to the instrument, the bow, or the case.

Shavuos Play

Grades 4-5

Tzion and Robin Elbaz

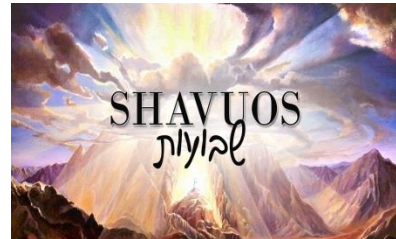

Yavneh Academy Presents:

תאטרון החוויה העברית

Hebrew Experience Theater

Be part of an amazing Shavuot play- The Story of Ruth

Practices will take place on Thursdays during Club until the play. There might be a few Sunday rehearsals as well in the weeks leading up to the performance.

This program is run by Tzion and Robin Elbaz, both seasoned educators. The goal of the "theater" is to have students experience the thrill of gaining the confidence and fluidity to perform an Ivrit / English musical on stage. The Elbazes have produced over 30 plays in Israel, Canada, and America delighting parents and students with extremely professional performances. They also provide beautiful costumes, scenery, props while encouraging all their "actors and actresses" to reach their utmost acting abilities through experienced direction. Robin and Tzion began their theater" in Israel as a tool for teaching English through drama. In Israel they worked with several schools and delivered wonderful performances with students from grades 4-9 on the themes of Chanukah, Purim, Shavuot, and fairy tales. In Canada, (as shlichim), they had their drama program switch to teaching Ivrit and Jewish traditions through their original plays to the delight of students, parents, and faculty. Since then they have produced many more plays in schools in Ohio, Westchester and now are hoping to bring this vision of Hebrew drama to Yavneh. Each play has Hebrew script in addition to English (so parents can follow story), original lyrics to popular tunes, original choreography, beautiful sceneries and costumes. It is a "chagigah" for the senses and an unforgettable experience for the students.

Fee: \$225, which covers all sessions, as well as the cost of materials and props.
