

YAVNEH ACADEMY LIBRARY

BIRTHDAY PROGRAM

Dear Parents,

Mazel Tov on _____'s upcoming birthday.

We invite you to participate in the Yavneh Library Birthday program. For your donation of \$18.00, a new, age-appropriate book will be chosen to add to our collection in honor of your child, and a special birthday bookplate will be placed inside the book with your child's name.

The new book will be presented during your child's next library class, and he/she will be the first one to check it out. Ganon classes will have the book read to them in school and middle school students will receive an email inviting to come to the library. The students find it very exciting when they see a book with their name or a friend's name inside.

Please visit the library and see how much the birthday books enhance the Yavneh Library collection. If you wish to be included, complete the form below, enclose a check, and return it to school with your child or by mail.

Thank you so very much for your support.
